

## ADDING A WEB WIDGET

1. Find the video/music and copy the **EMBEDDED CODE**
2. Log onto the eMAGC editor by going to [www.yourwebsite.com/eMAGC](http://www.yourwebsite.com/eMAGC)
3. Click on **NAV & CONTENT MANAGER** tab on left
4. Click on page you wish to add **VIDEO/MUSIC** to
5. Scroll to **WEB WIDGET** and paste the code into the box
6. After all changes are made, click **SUBMIT** at the bottom of the page and **CLOSE WINDOW** on left
